

since 1991

Cargo Gear Services (I) Pvt. Ltd.

An Overview

Cargo Gear Services (India) Private Limited (CGS), an ISO 9001 certified company, is involved in providing services for testing, repairing and certification of lifting appliances, life saving & fire fighting appliances, testing & certification of anchors & anchor cables, fibre glass repair to lifeboats, load testing of boats & launching appliances, mainly catering to the needs of the marine industry.

Established in the year 1991, CGS has been granted competency by the Government of India to carry out certification of lifting gear as per the applicable rules. The facility for testing and repairing of fire fighting and breathing apparatus has the approval of The Director General of Shipping. Moreover, CGS also has the approval of leading national & international classification societies to carry out work on fire fighting and life-saving appliances on board ships.

By rendering whole-hearted on time quality services with a professional touch, CGS has earned a wide clientele in a short course of time. We believe in a long term mutually beneficial relationship with our clients and business partners, and this has earned the company a lot of popularity. Our popularity, mainly due to prompt and quality services, has enabled the company to obtain repeat orders from our clients.

The registered office of Cargo Gear Services (India) Pvt. Limited is in Mumbai from where the operations are carried out. The company is a vibrant & young organization having focus on organizational values and commitments. Personnel with Marine qualification and background have been the pillars of the organization wherein the focus of the company is always on PEOPLE. Highly skilled and motivated employees with rich and varied experience in the marine field have helped the company to earn its reputation in almost every testing and certification area in the marine field.

CGS is venturing everyday into new areas in order to provide all the services required by our clients. Our vision is to be a single window solutions provider for our clients and provide the best of the services on time to delight the clients.

As a step to meet the vision, certain approvals have already been obtained from the Mercantile Marine Department viz. supply of safety awareness IMO Symbols for display on board ships and repair of fibre glass life boats. Further to this, CGS is also providing support to customer in terms of providing facilities for major fabrication jobs.

With a deep focus of the organization on QUALITY, CGS has quality equipment's which are used for carrying out testing activities wherein uniformity in quality standards are maintained.

Being an organization having focus towards up gradation of technology, CGS is always on the lookout for coming out with new technology and machines wherein the shipping community is benefited by its usage. We believe in creating a better working atmosphere for the shipping community wherein everybody is benefited, and have worked with all the major shipping companies based in India and Abroad and have the zeal to cater to all the shipping companies in the world.

An Overview

Vision Statement

CGS looks forward to its technological development to meet the demands of a growing Marine and Offshore Industry and to maintain and develop an efficient and effective team of professionals within the organisation to deliver “Quality Services” to our clients always. Our Vision is to be a single window solutions provider for our clients and provide the best of the services on time.

Mission Statement

CGS is committed to deliver quality services and products so as to ensure availability and operational readiness of the safety & survival systems. We strive to help our clients to reduce the downtime of their machines as well as ensure safety of their personnel and equipment's.

Quality Policy

At CGS, our top priority is to deliver flawless service to our clients and there is no compromise on the quality of work that is undertaken. It is due to this uncompromising nature that our clients patronize us. Over the years, we have developed a reputation for timely delivery of quality services. The products / services supplied and the work carried out comply with the applicable regulatory standards. The Quality Management System at CGS complies with the ISO 9001:2000 Standards. CGS stands for the reliability of its products and services and we make every effort, so that work performed by us met the high requirements of our clients. To be a competitive company, a special emphasis is put on timeliness and quality of the work performed.

Company Profile

Nature of Services in nutshell

Lifting Appliances, LSA, FFA, Lifeboats / Davits, Hydrotest of Vessels, Calibration of Measuring Equipments, Brake Holding / Rendering Force Test on Winches, Bollard Pull Tests, NDT, Thickness Gauging, Analysis of Foams, Metal & Breathing Air, Choice Fabrication, Supply & Certification.

Recognition/Approval & Solid Support

GOVT. OF INDIA:

- Directorate General Factory Advice Service & Labour Institute.
- Directorate General of Shipping.
- Mercantile Marine Department.

GOVT. OF MAHARASHTRA:

- Directorate of Industrial Safety & Health.

CLASSIFICATION SOCIETY:

- American Bureau of Shipping
- Bureau Veritas
- Det Norske Veritas
- Germanischer Lloyd
- Indian Register of Shipping
- Korean Register of Shipping
- Lloyd's Register
- Nippon Kaiji Kyokai
- RINA India Pvt Ltd

Quality Standards

- **ISO 9001: 2008 since 1997.**

Recognitions & Approvals

Recognitions & Approvals

AMERICAN BUREAU OF SHIPPING:

- Certificate of Service Recognition for Fire Extinguishing Equipment.
- Certificate of Service Recognition for Self Contained Breathing Apparatus.

BUREAU VERITAS:

- Certificate of Approval for Survey and Maintenance of Fire Extinguishing / Fire Detection Equipment & System.
- Certificate of Approval for Survey, Maintenance and Test of Self-Contained Air Breathing Apparatus.
- Certificate of Approval for Servicing of Inflatable Lifejackets, Hydrostatic Release Unit etc.
- Certificate of Approval for Servicing of Lifeboats, Launching Appliances and On-Load Release Gear.

DET NORSKE VERITAS:

- Approval of Service Suppliers for Survey and Maintenance of Fire Extinguishing Equipment, Systems & Self-Contained Breathing Apparatus.
- Quality Management System Certificate - ISO 9001:2008.

DIRECTORATE GENERAL FACTORY ADVICE SERVICE & LABOUR INSTITUTE, GOVT. OF INDIA:

- Certificate of Competency for the purpose of Testing, Examination and Certification of Lifting Appliances, Loose Gears & Container Spreaders.

DIRECTORATE GENERAL OF SHIPPING, GOVT. OF INDIA:

- Certificate of Registration as Safety Equipment Servicing Station for Servicing/Testing of Lifeboats, Launching Appliances and On-Load Release Gear.
- Approval of Workshop for undertaking Repairs on Fibre Glass Life Boats and Rescue Boats.
- Certificate of Registration as Fire Fighting Appliances Servicing Station for (1) Servicing & Testing of Portable Fire Extinguishers, (2) Weighment of CO₂ Cylinders, (3) SCBA & Lifeboat Breathing Air Cylinders. Servicing of SCBA Sets and (4) Fixed Fire Fighting Installation of CO₂ & Halon 1301/1211.

GERMANISCHER LLOYD:

- Approval of Service Suppliers for Survey & Maintenance of Fire Extinguishing Equipment & Systems.
- Approval of Service Suppliers for Survey & Maintenance of Self Contained Breathing Apparatus.

Recognitions & Approvals

INDIAN REGISTER OF SHIPPING:

- Certificate of Approval for Surveys and Maintenance of Fixed Fire Extinguishing Systems, Portable Fire Extinguishers, Emergency Escape Breathing Devices & Self Contained Breathing Apparatus.

KOREAN REGISTER OF SHIPPING:

- Approval of Service Supplier for Fire Extinguishing Equipments & Systems, Self Contained Breathing Apparatus.
- Approval of Service Supplier for Inflatable Lifejackets, Hydrostatic Release Units, Open Life Boats, Partially Enclosed Life Boats, Totally Enclosed Life Boats, Freefall Life Boats, Other Rescue Boats, Launching Appliances, On-Load Release Gear Services.

LLOYD'S REGISTER:

- Approval of Service Suppliers for Survey & Maintenance of Fire Extinguishing Equipment & Systems.
- Approval of Service Suppliers for Survey & Maintenance of Self Contained Breathing Apparatus.
- Approval of Service Suppliers for Survey & Maintenance of Lifeboats, Launching Appliances and On-Load Release Gear.

NIPPON KAIJI KYOKAI:

- Certificate of Approval for Servicing and Maintenance of Lifeboats and Launching Appliances.
- Certificate of Approval for Surveys and Maintenance of Fire Fighting Equipments and Systems & Self Contained Breathing Apparatus.

RINA INDIA PVT. LTD:

- Certificate of Approval of Service Supplier.
- Surveys and Maintenance of Fire Extinguishing Equipment and Systems.
- Inspection and Maintenance of Self Contained Breathing Apparatus.
- Inspection, Overhaul and Testing of Lifeboat & Launching Appliances and Release Gear.
- Proof Load Testing for Ship Equipment.
- Surveys, Servicing and Testing of Lifting Appliances.

Work Space at Mumbai, Kakinada And Kochi.

- Covered Area of 12500 Sq. Ft. (Mumbai / Navi Mumbai)
- Open Store Yard & Working Space of 40000 Sq. Ft. (Kakinada)
- Fibre Glass Repair Shop with temperature & humidity controlled Conditions.
- Covered Area of 700 Sq. Ft. X 3 Levels (Kochi)

Assurance

Committed to Quality Services.

Focus Areas

- 1) Client's satisfaction backed with smiling after Sales services.
- 2) Towards Upgradation of Technology.
- 3) Assurance of Quality.
- 4) Investment in Technical Training
- 5) Safety is paramount.

Owners

The Company is Private Limited and the Directors are First-Class Marine Engineers having 50 years of experience. The workshop caters to the requirement of Servicing, Testing & Certification of Lifting Appliances, Lifeboats/Davits, LSA & FFA and many similar services.

Employees

Total work force is 60+ in numbers, comprising of:

- Directors
- Administrators
- Accountants
- Purchase Staff
- Skilled Workers
- Engineers
- Sales & Marketing Professional
- Computer Maintenance Staff

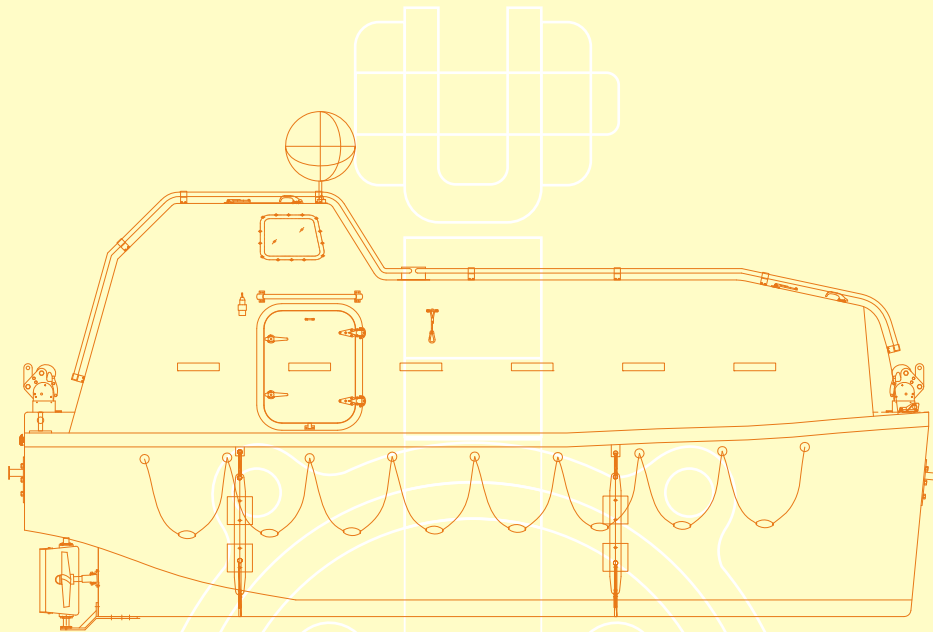

Company Profile

Specific Task Equipment's

1. **Tensile Test machines for Loose Gear & Anchors.**
 - **Capacity of Tensile Test Machine in Mumbai: 160 Tons.**
 - **Capacity of Tensile Test Machine in Kakinada: 550 Tons.**
2. **Concrete & Steel dead weights & large Water Bags for load testing of Cranes & Davits.**
 - **Concrete Dead Weights in combination of 25T & 10T, totaling 180T.**
 - **Steel Dead Weights of 2T, totaling 54T and a frame to carry the Steel Weights, weighing 5T.**
 - **Water Bags of 35T, 20T, 10T & 5T, totaling 145T.**
3. **Small Water Bags for load testing of Lifeboats.**
4. **Tensile & Compressive Load Cells of various capacities.**
 - **Load Cells up to 1000T in Tensile as well as compressive mode.**
 - **Display Indicators available with printer facility.**
5. **Portable Pad Eye testing Equipments.**
6. **Test bed for testing of Spreaders for Marine Freight Containers.**
7. **Modern NDT Equipments.**
8. **Metal Hardness Tester.**
9. **Machine & Proving rings for calibration of Load Cells & Dynamometers.**
10. **Equipments for liquid level check in Co₂ / Halon cylinders.**
11. **Fixed & Portable unit for hydrostatic testing of SCBA Cylinders.**
12. **Portable high powered hydrostatic test unit for large sized cylinders on Ships/Rigs.**
13. **Breathing Air Compressors.**
 - **Capable of filling clean filtered Breathing Air up to 800 Bar.**
14. **Unit for analyses the contents of Co, Co₂, H₂O & Oil vapours in Breathing Air.**
15. **Equipment's to calibrate Pressure Gauges.**
16. **Powered Winches to handle heavy duty & very long steel wire ropes.**
17. **Full-fledged workshop facilities for our needs.**
